EXPERIENCE

Front-end Developer
Mar 2024 – Present

WAmazing Inc. — *Tokyo, Japan*

- Improved SEO and website performance by setting ALT tags and using Next.js Image Loader with an external CDN, boosting search rankings and page load speeds
- Led Cypress implementation for end-to-end testing, creating initial test cases and a framework for easier team-wide test case creation, enhancing testing efficiency
- Collaborated with product owners, designers, and engineers to scope and plan projects, contributing to technical improvements and quality standards

Front-end Developer
Jul 2021 – Sep 2023

Operto Guest Technologies — *Vancouver, Canada*

- Led the UI and feature implementation using React and TypeScript, and developed UI libraries with Material UI, emphasizing component reusability and knowledge sharing with team members
- Created front-end best practices documentation, enhancing team efficiency
- Full-stack development using PHP, Java and PostgreSQL, including backend REST API construction
- Constantly wrote unit tests using Jest and React Testing Library so that at least 80% of the code is covered per file

Front-end web developer
Feb 2021 – Jul 2021

EsiHome Technologies Inc. — *Vancouver, Canada*

- As the primary engineer, led implementations for all front-end functionalities using React. Shipped features such as login, attendance, report and photo gallery

React Native Developer
Aug 2020 – Sep 2020

Singan Inc. — *Tokyo, Japan*

- Developed a community service based on Mattermost, an OSS; targeting cancer patients under 39, focusing on front-end implementation with React Native

Front-end Developer
Apr 2020 – Sep 2020

COS Educational Consulting Inc. — *Vancouver, Canada*

- Led the planning and implementation of web pages using HTML, CSS, JavaScript, and WordPress for the owned media "HoikuPedia" based in Vancouver, Canada

Full Stack Engineer
May 2020 – Jul 2020

Greenspoon Inc. — *Tokyo, Japan*

- Developed an email notification system for regular subscribers of GREEN SPOON's vegetable smoothies using PHP Laravel, HTML, and CSS

Web Developer
Mar 2018 – Mar 2019

Greenspoon Inc. — *Tokyo, Japan*

- Designed and coded their web page using HTML, CSS, JavaScript, and WordPress, updating owned media content and creating banners.

PROJECTS

Neo-Brutalism UI Library | Website | *React, TypeScript, Tailwind CSS, Vite*
